An aerial photograph of a tropical resort island. The island is lush with green palm trees and has several buildings with thatched roofs. A white sandy beach curves along the edge of the island, meeting clear turquoise water. The water transitions from light blue near the shore to a deeper blue further out. In the background, other islands and a blue sky with scattered white clouds are visible. A large blue banner with a white border is superimposed over the top half of the image, containing white text.
